

Dear Ridge Street School Parents,

Welcome to the 2017-2018 school year! A new school year presents opportunities for new beginnings for all of us. It is an exciting time. Our entire school community will work together to ensure that every student will have a successful school year. But **we cannot do this alone**. Helping your child realize the value of education is extremely important. Your presence at school is one way to show your love and encouragement.

Our school’s mission is to create an educational environmental needs of each student are met. **We are looking for volunteers to help us with that awesome task.**

The children and I invite you to come to school to volunteer your time and talents. We will value you as a volunteer, and appreciate your dedication to the children as a supportive aide, role model and mentor.

We know your time is at a premium, but we hope this invitation will empower you to come in and volunteer. With budget cuts affecting most public schools, the time you invest volunteering can really make a difference to the entire school. Please feel free to contact me at 973-268-5210 or visit me in the Parent Resource Room located in 204 with a time to volunteer that is convenient for you.

Thank you!

Sincerely,

Yvette Colon
