Where Passion Meets Progress

NBE- Reopening Plan – Student Transportation

Home to School Transportation (Busing)

Students who are approved for busing through their IEP will continue to receive related services.

- All passengers will have consistent assigned seats
- Uniform entrance and exit procedures
- Training for vendor providers and District transportation staff
- Vehicles cleaned and disinfected daily and in between routes
- All students staff must wear masks during transport
- It is recommended that parents provide students with hand sanitizer prior to onboarding
- Temperature checks and screenings will be performed on bus staff daily and periodically between transportation efforts
- Vehicles will be equipped with signage to encourage procedures

Bus Tickets and Courtesy Shuttle Service

In accordance with the NBE Reopening Plan for Schools:

- There are no changes to these services

Athletic Transportation, Field Trips, Mid- Day Transportation

Office of Pupil Transportation
"Transporting Students on the Road to Success"

As per the New Jersey Interscholastic Athletic Association guidelines for high school sports and NBE's determination for field trips and Mid-Day transportation needs, including support for transportation programs, whenever possible, district omnibus operators will provide services for these efforts.

- Students will be required to wear face masks during transportation
- District vehicles will have safe shields installed to assist with social distancing
- Cleaning will occur in between transportation efforts
- School staff must accompany students during transportation to assist with social distancing
- Vehicles will be equipped with signage to encourage procedures
- All items listing the Home to School Transportation (Busing) section
