

# **East Side High School**

## **PAN AFRICAN-AMERICAN CLUB**

**Come represent African, Caribbean, West Indian, & African-American cultures**

The Pan-African American Club is open to any student who is interested in celebrating the cultures and communities that draw on African heritage. Our club finds ways to represent African, Caribbean/West Indian, and African-American culture through music, dance, poetry, art, history, and other ways of life. We will meet every Thursday after school in Room 317. We also strive to educate the entire school community on how people and societies of African descent have changed and influenced the world, especially during Black History Month. Although we focus on Africa and the African Diaspora, students and staff of all backgrounds are encouraged and welcomed to participate in the Pan-African American Club...

**Meetings Every Thursday**  
**Room 317**  
**2:50 p.m.**

**FORWARD EVER, BACKWARD NEVER!**
