Dr. Jose Aviles, Principal

Dear Parent(s) and Guardian(s),

Welcome to the 2021-2022 school year! It is with great pride and enthusiasm that I write this letter of introduction to you as principal of Barringer High School.

This school year marks a new era in the history of Barringer High School. Living through a pandemic and the uncertainty of new variants has made many of us uneasy. Please rest assured that my team and I will do what is necessary to ensure the safety of our children. From deep cleanings daily, protective shields, masks and hydrochloric air sanitizers, we will leave no stone unturned in our effort to provide the safest learning environment possible. Along with abiding by safety guidelines during this school year, Barringer will also create a student-centered environment as well as provide a unified team of dedicated educators to teach and inspire our students.

The first day back for students is **September 7th, 2021**. The administrative team and I have exciting plans for all of our students. We will continue to improve our comprehensive support and intervention programs to help all students achieve academic excellence, as well as overcome any obstacle before them. Our school will continue to be a safe, nurturing, and positive learning environment that will promote the social-emotional growth of every student. Please note the following:

1. Learning will take place via a regular In-Person Learning Model format for SY'21-22
2. The online lunch application system is available i the link below:
  - a. <https://family.titank12.com/application/new?identifier=7LGSDU>
  - b. It is imperative that all parents/guardians complete a lunch application for his/her child.  
This applies to all parents/guardians, including those who will be sending lunch from home.
3. If you would like to update your phone number, please visit our website and update your contact information (email, telephone number, and address) on School Mint/Newark Enrolls website--<https://newarkenrolls.schoolmint.net/signin>

Everyone reporting to the school building and school grounds (this includes student drop off and pick up) are required:

- a. to take temperature, any student with a temperature of 100.4 degrees or higher will be sent home,
- b. to wear face covering and follow CDC guidelines for social distancing,
- c. stand 6 ft. apart, at all times, to protect the safety of everyone,
- d. to follow signage which will be displayed around the school to direct the flow of traffic,
- e. to use hand sanitizing stations,
- f. to use foot sanitizing stations,
- g. to wear school uniforms.

Link to the District Safe Return Plan: [https://www.nps.k12.ni.us/mdocs\\_posts/safe-return\\_plan\\_2021-2022/](https://www.nps.k12.ni.us/mdocs_posts/safe-return_plan_2021-2022/)

Furthermore, our teachers, staff, and administrators will continue to foster and strengthen partnerships with every parent/guardian. Our staff will provide opportunities throughout the school year to enable parents to play a vital role in their child's education, especially by giving all parents, as part of our school community, a prominent voice in our decision making.

# **Barringer High School**

Dr. Jose Aviles, Principal

Our teachers, staff, and administrators are eager and excited to begin what promises to be the best year ever. As principal, it is important to me that everyone who steps through our doors-teachers, students, and parents-are excited to be here! This attitude enables all of us, particularly the students, to meet the challenges of academic excellence in a fun, positive, and nurturing environment.

I look forward to a wonderful school year and to working with you, as a team, to help your children meet their goals and have a successful school year!

Best Regards,

Jose Aviles, Ed. D.  
Principal  
Barringer High School
