

# **EAST WARD ELEMENTARY HIGH SCHOOL FAIR**

**OCTOBER 9, 2025  
5-7PM**

## **MEET THE NBOE HIGH SCHOOLS**

The Class of 2026 marks a historic milestone as East Ward Elementary's very first graduating class. This exceptional group of young individuals are filled with excitement, determination, and a genuine passion for learning. We couldn't be prouder of their accomplishments so far and even more excited for the journey that lies ahead. Please join us in this great opportunity to meet the NBOE High Schools and participate in discussions about all these high schools have to offer. This will be extremely helpful in guiding your decision about what high schools to apply for.
