2023 CITY-WIDE STEM FAIR

Friday, June 2, 2023
4:00pm-6:30pm

Dr. Marion A. Bolden Student Center
230 Broadway, Newark NJ 07104

REGISTER TO ATTEND AT GREENFESTNEWARK.COM

2023 CITY-WIDE STEM FAIR

Criteria

- Must be a student of a Newark 9-12 High School or Essex County Vocational School
- Singular and/or group projects are welcome
- Projects and presentations must include an interactive component (where the public can engage with the project while learning)
- The project must display the cleaner use or expenditure of energy or result in a cleaner environment because of or in spite of energy use
- There may be more than one entry from each school
- Project must be completely assembled on-site at the time of judging
- Registration MUST include one chaperone, adult, faculty, or advisor if team represents a 9-12 school
