

## **FREE! Healing-Centered Engagement and the Arts Virtual Workshop Series Community Sessions - Spring 2023**

Are you an educator, youth development worker, teaching artist or healthcare professional that serves youth in Newark? Do you want to learn more about trauma-informed care and healing centered engagement? This special hands-on virtual series, in its fourth year, will be led by trauma and arts specialists who will guide discussion about how trauma is defined and impacts our youth and ourselves. You will learn how arts strategies can promote resilience and create safer youth spaces. Please join us for this important and necessary training series. \*Professional development credits available for participants of entire series.

**You must attend all three virtual workshops in the series.**
