

Middle School Enrichment

Summer Visual & Performing Arts Academy

The Summer Visual & Performing Arts Academy is an art-focused enrichment program for students entering grades 6-8. Visual & Performing Arts Educators will guide students in a joyful and nurturing exploration of the artistic disciplines of Dance, Music (Instrumental & Vocal), Theatre, Visual Arts, and Creative Writing. This is an exciting opportunity for students currently participating in Visual and/or Performing Arts programs in their schools and students with high interest and potential to learn something new, sharpen their skills, and boost performance levels over the summer. The 5-week Arts Academy takes place at Arts High School and includes field trip experiences. The program concludes with a student performance and art exhibit.
