

Middle School Enrichment

Summer Visual & Performing Arts Academy 2021

The Summer Visual and Performing Arts Academy at Arts High School is an exciting arts focused district enrichment program for Newark Board of Education students currently in grades 5-7. Students will be guided by visual and performing arts teachers to explore artistic disciplines of **Creative Writing, Dance, Music, Theatre, and Visual Arts** in a joyful and nurturing environment. This is an exciting opportunity for students currently participating in visual and/or performing arts programs in their schools with high interest and creative potential to sharpen their skills and boost performance levels over the summer. The 5-week Summer Academy will run from July 1-August 2 from 8:30am-1:30pm at Arts High School. Program capacity is limited to 150 students.

Enrollment will rely heavily on dance, music, theatre, visual art teacher or other teacher recommendation. Students interested in instrumental music will need to sign out an instrument from their home school music teacher for use over the summer. The program will culminate with a student exhibit, a student performance, and a student publication.
