Where Passion Meets Progress

Office of Educational Technology Fall 2023 Office Hours Schedule

Digital Citizenship Course

[Session Link-Tuesdays at 3:00p-4:00p](#)

A series of seven classes taught virtually for one hour on Tuesdays. While you need to attend all seven classes to complete the course, each will be offered twice and you do not have to attend them in order to complete the course. All classes will meet virtually on Tuesday's from 3:00-4:00p.

The classes will be offered on the following dates:

Part 1-Introduction to Digital Citizenship Education: September 12th and November 7th

Part 2-Digital Footprint: September 19th and November 14th

Part 3-Online Security and Privacy: September 26th and November 21st

Part 4-Plagiarism, Copyright and Fair Use: October 3rd and November 28th

Part 5-News and Media Literacy: October 10th and December 5th

Part 6-Digital Communication: October 17th and December 12th

Part 7-Digital Health: October 24th and December 19th

Educational Technology Strategies Professional Development Sessions

[Session Link-Thursdays at 3:00pm-4:00pm](#)

A series of interactive sessions taught virtually for one hour on Thursdays. These sessions will focus on how educators can leverage our platforms to address specific educational technology strategies in the classroom. These sessions will meet virtually on Thursday's from 3:00-4:00p.

These sessions will be offered on the following dates:
