FRESH**

**Math  
Hoops**

---

## ATTENTION SPORTS & MATH EDUCATORS!

We're excited to partner again with Math Hoops for a Professional Development Opportunity you won't want to miss!

**NBA Math Hoops** leverages the game of basketball and the NBA/WNBA to engage students with math and social-emotional learning skills through a sports-based board game, curriculum, digital game, mobile app and community program. Join us for a professional development workshop to learn the NBA Math Hoops game and curriculum, gain free access to the Learn Fresh program management platform and all program materials, and learn about opportunities to extend students' learning through virtual and in-person community events. Educators will immediately gain access to all materials needed to begin implementing with students in their programs and classrooms. The game is for **4<sup>th</sup> to 8<sup>th</sup> grade** students.

**WHEN:** Wednesday, Nov 10, 2021, 4:30-6pm – IN PERSON

**WHERE:** At the Yogi Berra Museum & Learning Center  
On the campus of Montclair State University  
8 Yogi Berra Drive, Little Falls, NJ

**COST:** FREE

**NOTE:** Although the workshop is FREE, registration, proof of vaccination and mask-wearing is mandatory. Space is limited to 30 participants given COVID regulations.
