

Newark Board of Education and Montclair State University Leadership Pipeline Program for Fall 2024

If you have been contemplating leadership opportunities within Newark Board of Education and are eager to elevate your professional education and career, now is the perfect time to take action. [Join us for a virtual information session on February 7 at 4:00 PM](#) to learn how Newark Board of Education and Montclair State University Leadership Pipeline Program (NMLPP) is designed to equip educators like you with the skills, knowledge, and credentials necessary to thrive in leadership roles within the field of education in your school district.

The U.S. News and World Report recognized Montclair's Educational Leadership program as **No. 1 in NJ** and **No. 10 in the nation**.

Here are some benefits the program:

- Earn your **Master of Arts in Educational Leadership** in addition to **Supervisor and Principal certifications** at a satellite location in Newark
- Receive a significant **reduction in tuition prices** (17% savings)
- **Complete the program in 2 years** by taking two, 8-week hybrid courses per semester
- Learn from **distinguished faculty who are leaders in their field** in both pedagogy and research
