Greetings Lincoln Family,

Welcome back to the start of a wonderful new school year! I am truly honored and excited for what this school year will bring as we embark on exciting and new learnings despite the uncertainty we face as a nation. It is my goal as your principal to continue to ensure that the education and safety of our children are our top priority as we prepare them to navigate through life.

In order to accomplish this, we all must work together. Listed below are protocols and procedures which will remain in effect while some changes have been made. All protocols and procedures will keep our staff and children safe:

- **Masks must be worn on all premises of the school property at all times. Students must arrive to school wearing their masks.**
- Upon arrival at school, students will line up at their designated areas on the playground and courtyard.
 - Grades PK4 through Grade 2 will line up in the courtyard
 - Grades 3 through 8 will line up in the playground
- Required Summer Academic Packets: All students received required summer academic packets. All packets are due on first day of school.

The **first day of school** for all students is **Tuesday, September 6, 2022**. School will begin promptly at 8:25am. All Afterschool programs will begin on **Tuesday, September 6, 2022**.
