Announcement: Parent Teacher Conferences for Report Card Night

Newark Vocational High School Family,

To improve student performance in our school, we are focusing on supporting students socially, emotionally, and academically, to fill any gaps that may have resulted from the challenges of the past year. We also continue to support our high-needs students by providing targeted interventions that focus on each student's specific needs.

The Virtual Parent/Teacher Conference is scheduled for December 2, 2021 (from 1pm – 7pm). Teachers will be in attendance and available virtually to speak with you regarding your scholar's academic success. [Please click this link to schedule your appointment for the Virtual Parent/Teacher Conference.](#) Appointments will be available on a first schedule/first serve basis.

We look forward to speaking with all of our Parents. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support. Student reports cards will be distributed to parents virtually on December 3, 2021 at 9am.

Educationally yours,
Lucinda Eason
Principal, Newark Vocational High School
