Can you imagine a world void of children's dreams? Neither can we—which is why Hope to Dream® has gifted over 80,000 free beds to children in need aged 3-16 since 2010.

A portion of every mattress purchased at participating Ashley HomeStores goes toward the Hope to Dream® program. Thanks to the help of community partners, customers and volunteers, we are able to continue our momentum of providing local children with a proper night's sleep. Some of our past events include:

- Universal Children's Day (2014): This event gifted over 1,000 children with beds in Florida, Georgia, California, Illinois and Wisconsin.

- Miami Dolphins Sleepover (2018): An exciting event where over 100 deserving children received brand new beds.

- Jacksonville Jaguars Sleepover (annually since 2013): Every year, this event gifts over a 100 new beds to local children.

An estimated 30-50% of all children don't get a good night's sleep.

A great night's sleep helps children:

- Concentrate and behave better in school.

- Improve their performance during extracurricular activities.

- Grow and develop at a healthy rate.

" Children are a vital part of a growing community. We believe by helping a child sleep well, they are poised to lead a healthier and more productive life. "
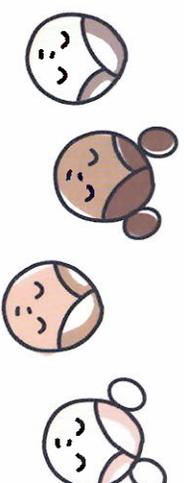

— **Todd Wanek**
President & CEO
Ashley Furniture Industries, Inc.

You have the power to help a child sleep better.

Ashley HomeStore and Hope to Dream® can only help children if caring people like you nominate them!

To nominate a child you know, simply visit AHopeToDream.com or fill out and mail in the application form on the back of this brochure.
