A Message from the Superintendent

Roger León
Superintendent

Dear Parents/Guardians:

The summer months are almost here and I know that everyone is excited about this school year coming to an end soon.

The summer months are crucial to continuing your child's academic success. We want your child to enjoy their summer and we will provide incredible learning and fun activities so that they can learn with us.

This brochure is designed to provide you and your child with the opportunity to join us this summer. In some instances, we have created programs requiring your child's participation where their attendance and participation will be mandatory based on their grades, MAP Assessment scores, and attendance. Although mandatory program students will receive a personalized letter from their principals, you must still register using the link.

Descriptions of the programs are included in this brochure and I once again encourage you to take advantage of these offerings. To do so, please complete the online registration by May 14, 2021. If you have any questions or concerns, please contact your child's teacher or principal.

These summer experiences promise to be filled with engaging learning activities that will enrich and strengthen your child's education and continue their path to success for next school year and beyond!

Sincerely,

A handwritten signature in black ink, appearing to read 'R. León'. The signature is fluid and cursive, with a large initial 'R' and a long, sweeping underline.

Superintendent León

K-Ready Kindergarten Bootcamp

K-Ready Kindergarten Bootcamp is a full-day academic and enrichment Program for students transitioning to Kindergarten in Fall 2021. Students will receive intentional instruction focused on the following domains: Language Arts Literacy, Math, Science, Approaches to Learning, Social-Emotional, Health development and will explore a variety of topics through teacher-designed enrichment projects in a learning through play environment.

Elementary Programs

Grades: Current PK4

- All registrations must be submitted by May 14, 2021
- Space is limited in some programs • Students and families will receive a confirmation letter by June 1, 2021
- Register Online Now: www.nps.k12.nj.us/summerprograms/studentapp

Summer Plus

Summer Plus combines academic and enrichment activities into a full day summer program. Summer Plus has been developed by NBOE’s curriculum experts to improve critical math and literacy skills and ensure that participants are well prepared to start school in September. The morning core academic classes are taught by NBOE teachers and supported by NBOE staff. The afternoon enrichment sessions are delivered by NBOE teachers and Community-Based organizations (CBOs). Together, the NBOE staff and community partners offer themed, project-based learning that is linked to the morning class material.

Elementary Programs

Grades: Current K-7

Eligibility: Students must be Newark residents

Dates: July 1 - August 6, 2021

Hours: 8:30 AM - 3:00 PM

Breakfast & Lunch Served: Yes

Students must register for Summer Plus by May 14, 2021.

Summer Plus sites offer an Extended Day Option from 3:00 PM - 6:00 PM daily for a limited number of registered families. Transportation home is not available for students who stay for the Extended Day option.

Locations: Students in grades K-7 will be assigned to summer sites based on their sending school. See the Summer Site Assignments list below to learn where your student will attend.

Transportation: Some students may be eligible for transportation based on distance between home and summer school site. Buses will pick eligible students up at hub schools beginning at 8:00 AM and will drop students off by 4:00 PM. Students who are eligible for transportation will receive additional information in their confirmation letter.

Registration: To participate in Summer Plus, please complete the registration on the summer program website. www.nps.k12.nj.us/summerprograms/studentapp

English Plus

English Plus is a program within Summer Plus for English Language Learners. Students will participate in English enrichment literacy instruction, as well as hands-on Science and Mathematics to enrich their English skills and prepare for the upcoming school year. Students will participate in English enrichment programs in the morning and will join the Summer Plus enrichment activities in the afternoon. Bilingual teachers will be on-site during the afternoon program to provide support.

Locations: Students in grades K-7 will be assigned to summer sites based on their current school. See the Summer Site Assignments list below for where your student's school is assigned.

Transportation: Some students may be eligible for transportation from their regular school to their summer site, based on the distance between the two. Buses will pick students up at their regular schools beginning at 8:00 AM. Buses will drop students off at their regular schools by 4:00 PM. Students who are eligible for transportation will receive additional information in their confirmation letter.

Registration: To participate in the English Plus Program, please complete the registration on the summer program site. www.nps.k12.nj.us/summerprograms/studentapp (Please select English Plus).

- All applications must be submitted by May 14, 2021.
- Space is limited.
- Students and families will learn whether they have been accepted by June 1, 2021.

Extended School Year

The Extended School Year (ESY) program is for students with a range of special needs, including auditory impairment, autism, medically involved, multiple disabilities, behavioral disabilities, and intellectually disabled. Students in the ESY program require services beyond the traditional school year, as per the Individual Education Plan (IEP). Students will receive academic and behavioral support during the morning. Enrichment activities may be provided through the Summer Plus program or through specialized Extended School Year sites. However, please speak with your case manager regarding afternoon enrichment activities.

Extended School Year Related Services for Prekindergarten to Grade 12

The Office of Special Education will be working closely with parents, case managers and related service providers to offer related services to students who may need additional services to progress toward their IEP goals. These services may include students with a range of special needs. These students will receive services from speech, occupational and physical therapists and counselors. Parents will need to speak with their case manager to gain additional information.

Special Education Programs

Grades: PK-12

Dates: July 1 - August 6, 2021

Hours: 12:30 PM - 1:45 PM

Lunch Served: Yes

Registration: Extended School Year Related Services registration is available through both the online application and the Office of Special Education.

However, the CST, parent and related service provider will determine appropriateness for students. After registering online, you must complete registration with the Child Study Team at your child's school. After May 14, 2021, please contact the Child Study Team at your child's school to find out how to complete registration.

High School Summer Bridge Program

High School Summer Bridge Program will take place in all of the Newark Board of Education's high schools. The purpose of the Summer Bridge program is to provide current 8th and 9th graders with an immersive educational experience that will expose them to the school's community and culture, provide them an opportunity to meet faculty and staff, and offer insight into the expectations and demands of high school. The summer bridge programs are uniquely tailored to the learning communities of each school and will welcome students into the fold of that school's culture. Students will engage in a variety of activities and experiences, including team and culture building, academic enrichment, school spirit activities, and exposure to the arts and athletics. Research shows that students who engage in a bridge experience before entering high school experience greater transitional success, both academically, as well as social-emotionally, than students who do not. Therefore, all current 8th and 9th graders must participate in the Summer Bridge Program at their matched high school.

High School Programs

Grades: Current 8-9

Dates: August 16-20, 2021

Hours: 8:00 AM - 1:00 PM

College and Career Planning: Class of 2022!

This two-week enrichment program focuses specifically on college and career readiness to meet the needs and demands of post-secondary planning. This intensive program will provide 100 students from the Class of 2022 with additional college and career preparation. Students will research colleges and unpack the importance of completing the Free Application for Federal Student Aid Application (FAFSA), the New Jersey Alternative Application for Deferred Action for Childhood Arrivals (DACA), and applying for scholarships. The career exploration component will focus on current and projected industry trends, career exploration assessments, presentations from industry leaders, and the importance of intern/externship opportunities.

High School Programs

Grades: Rising 12 (Class of 2022)

Dates: August 9 - 20, 2021

Hours: 8:30 AM - 1:30 PM

Location: Bloomfield College

Breakfast & Lunch Served: Yes

Transportation Provided: Yes

To apply: Complete the application on the summer program website.

- All applications must be submitted by May 14, 2021.
- **Space is limited to 100 participants.**

Please feel free to contact Vernon Pullins, Jr. at vpullins@nps.k12.nj.us if you have questions.

- **Space is limited in some programs • Students and families will receive a confirmation letter by June 1, 2021**
- **Register Online Now: www.nps.k12.nj.us/summerprograms/studentapp**

Summer Sports Camps

Write on Sports (WoS): The WoS Online Summer 2021 program will run for four weeks in July. Students are expected to participate in classes for one or two hours a day, four days a week. During scheduled meetings, students will get support and feedback on their chosen projects (e.g., feature stories, videos, podcasts, fiction stories). Students will also be able to schedule additional one-on-one meetings with staff. Write on Sports will welcome guest athletes and journalists to speak about their profession and give an opportunity for students to interview them directly. Much of the work will be self-directed, with Write on Sports staff providing tailored support. Students' projects will be shared on the Write on Sports website and via a virtual press conference on the last day of camp.

Contact Shannon Schmitt to register at 973-330-7674, shannon@writeonsports.org, or online: <https://writeonsports.org/camp-form>

Hours: 1:00 PM - 4:00 PM
Breakfast & Lunch Served: No
Location: Virtual
Transportation: No

Please feel free to email Chavon Blount at c1blount@nps.k12.nj.us with any questions.

Summer Visual & Performing Arts Academy

The Summer Visual and Performing Arts Academy at Arts High School is an exciting arts focused district enrichment program for Newark Board of Education students currently in grades 5-7. Students will be guided by visual and performing arts teachers to explore artistic disciplines of **Creative Writing, Dance, Music, Theatre, and Visual Arts** in a joyful and nurturing environment. This is an exciting opportunity for students currently participating in visual and/or performing arts programs in their schools with high interest and potential to sharpen their skills and boost performance levels over the summer in the arts and other subjects through arts integration strategies for standards-based learning. The 5-week Arts Academy will run from July 1 - August 6 from 8:30 AM - 1:30 PM at Arts High School. Program capacity is limited to 150 students.

Enrichment Programs

Grades: Current 5-7
Dates: July 1 - August 6, 2021
Hours: 8:30 AM - 1:30 PM
Breakfast & Lunch Served: Yes
Location: Arts High School
Transportation: No

Enrollment will rely heavily on dance, music, theatre, visual art teacher or other teacher recommendations. For instrumental music, availability of instruments to be used over the summer will also be a consideration. The program will culminate with a student exhibit, a student performance and a student publication. Students will participate in at least two field trip experiences.

Visual and Performing Arts Focus: Dance, Music, Theatre, Visual Arts & Creative Writing

Arts Integrated Curriculum Connections: Language Arts Literacy, History, Science and/or Math

Transportation: Families are responsible for arranging transportation for this program.

To apply: Complete the application on the summer program website.

- All applications must be submitted by May 14, 2021.
- Space is limited.
- Students and families will receive a confirmation letter.

Please feel free to email Margaret El at mel@nps.k12.nj.us with any questions.

- **All registrations must be submitted by May 14, 2021**
- **Space is limited in some programs • Students and families will receive a confirmation letter by June 1, 2021**
- **Register Online Now: www.nps.k12.nj.us/summerprograms/studentapp**

Newark Educational Technology Summer Camp (NETS Camp)

The **NETS Camp** provides a three week technology based summer program that allows students to explore computers, robotics, and other technologies in an exciting hands on, project oriented environment. It allows students interested in technology to more deeply explore multiple technology based topics while collaborating with other students from across the district.

Grades: Current 5-7

Dates: July 12 - 30, 2021

Hours: 12:00 PM - 3:00 PM

Lunch Served: Yes

Locations: Camden Street, Louise A. Spencer, Rafael Hernandez

Week 1: July 12-16, 2021 - Robotics and the Design Process

Description: Students will explore the design process and learn to design, build and program their own robot. Students will use these skills to design and program a robot to navigate a series of space themed challenges. The week will culminate with a Robot Olympics where students will work in teams to design, build and program their own robot to compete in a series of challenges to see which robot can earn the gold medal.

Week 2: July 19-23, 2021 - Exploring the Virtual World of Minecraft

Description: Students will explore computer programming and design through Minecraft for Education. Students will be taught the basics of World of Minecraft before they begin tackling various challenges and worlds within Minecraft. Students use their creativity and imagination while honing their skills leading up to their culminating Minecraft project where the students will be able to create their own Minecraft project.

Week 3: July 26-30, 2021 - Art and Creation Workshop

Description: Students will explore various areas where the worlds of art and technology meet. During this week students will be pushed to use their creative skills as they are introduced to various areas including patterns, digital drawing and painting, video and photography and basic website development. Students will sample all of these areas and spend time working collaboratively in them before choosing a favorite area in which to create a culminating project for the week. Students will be able to save their work in a digital portfolio to take with them.

Please feel free to email Tim Nellegar at tnellegar@NPS.K12.NJ.US with any questions.

- All registrations must be submitted by May 14, 2021
- Space is limited in some programs • Students and families will receive a confirmation letter by June 1, 2021

High School Musical Theatre

This summer experience is for students interested in Musical Theatre – both on stage and “behind the scenes”. Students will have the opportunity to engage as performers or production designers based on student interests. Performance training will include singing, acting and movement/choreography. Production training will include stage managing, directing, set design, props, costuming, and marketing. Students will achieve a professional and personal understanding of the arts through rehearsals, auditions, performances, and presentations. The summer will conclude with a full-scale musical production.

Visual and Performing Arts Focus: Music, Theatre, Dance, Stage Design, Lights & Sound, Costuming.

To apply: Complete the application on the summer program website.

- All applications must be submitted by May 14, 2021.
- Space is limited.
- Students and families will receive a confirmation letter if they have been accepted by late May.

Please feel free to email Margaret El at mel@nps.k12.nj.us with any questions.

Enrichment Programs

Grades: Current 8-11

Dates: July 1 - August 6, 2021

Hours: 8:30 AM - 1:30 PM

Breakfast & Lunch Served: Yes

Location: Arts High School

Transportation: No

Culture Creators - High School Visual Arts Academy

In this five-week Visual Arts program, students will study with highly talented faculty and artists from Newark and the region. Students will be a part of a community focused on ideas, craftsmanship, and the exchange of artistic values. Field trips to prominent museums and galleries are included as part of the experience. Students will participate in four hours of studio instruction per day. During this time, participants will work to develop technique and artistic expression in chosen two-dimensional media. The program will culminate with each student curating their art for exhibition in a gallery.

Students have the option of participating for the entire five weeks, or they may select to participate in two-week increments as follows.

- **Option 1:** July 6 - August 7 (full program-5 weeks)
- **Option 2:** July 6 - July 17 (2 weeks)
- **Option 3:** July 13 - July 24 (2 weeks)
- **Option 4:** July 27 - August 7 (2 weeks)

To apply: Complete the application on the summer program website.

- All applications must be submitted by May 14, 2021.
- Space is limited.

Please feel free to email Margaret El at mel@nps.k12.nj.us with any questions.

Summer Plus Transportation Information

Summer Plus Transportation is provided between feeder schools and summer sites based on distance and safety considerations. Busing from feeder schools begins at 8:00 AM and departs for feeder schools at 3:05 PM (arriving between 3:30 PM and 4:00 PM). The list of feeder sites that will provide busing is below.

Students eligible for transportation from feeder schools to summer sites based on distance and safety considerations will receive confirmation of the shuttle pick up and drop off locations with the Enrollment Confirmation Letter.

Pick-up Site*	Summer Site
Ann Street	South Street
Avon Avenue	Louise A. Spencer
Cleveland	Camden Street
Dr. William H. Horton	Dr. E. A. Flagg
Hawkins	Wilson Avenue
Ridge Street	Park Elementary
*Pick-up Sites are subject to change based on need and demand.	

Extended School Year students will receive transportation as outlined in their IEPs. The Office of Special Education will work with families to set-up specific transportation arrangements.

Transportation is NOT provided from the Extended Day Program, which concludes at 6:00 PM. Families are responsible for arranging pick-up from this program.

Additional Information

All programs are completely free to Newark residents.

Criteria

The criteria used for attendance in mandatory summer school includes MAP Growth assessment scores, classroom performance, and attendance. The extra instruction that your child will receive during the summer will help to fill the academic gaps, reinforce skills mastered, and better prepare him/her for the next school year.

Attendance

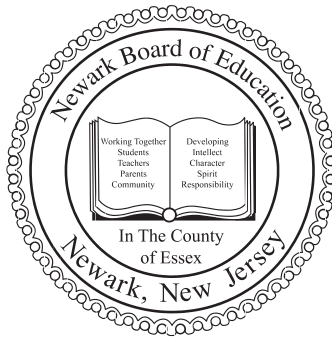

Elementary

Attendance will be taken daily. Parents of elementary students who have an unexcused absence will be contacted via phone. Students who do not attend within the first three days of the program may lose their seat.

High School

- **High school students are required to attend student orientation on June 30, 2021.** Student orientation will take place at their assigned site.
- Students enrolled in all programs are required to be in attendance every day.
