Principal's Message:

The school year began with much transition. However, the entire administrative team, staff and paraprofessionals remain enthusiastic and committed to enhancing the lives of your children by our continued efforts to foster an educational environment that promotes academic, social growth and well-being. ***We need your support to ensure that all children come to school everyday and on time with a goal of 95% attendance. Lets work together to make this happen!***

We take immense pride in the level of parental involvement here at Wilson Avenue School and look forward to another successful school year.

If you need assistance, please call us @ (973)-465-4910 (Main Office), (973)-465-4227 (Annex), or find us online at www.nps.k12.nj.us/WLS
