

Escrow Enrollment and Discontinuation through ESS (Employee Self Service)

Newark Board of Education (NBOE) employees who are 10-month and 11-month full time employees can now self-enroll, discontinue and switch options in the Escrow Program; commencing with the 2021-22 SY during **Open Enrollment** effective **May through July 15th** of each year. The deadline for newly hired employees is September 15th. This is available to you by simply logging into ESS (Employee Self Service). We have made the process easy, quick, convenient and simple for you. We ask that you follow the steps below. **Note: You can discontinue from the Escrow Program at any time during the school year.**

1. Log into ESS and select the icon labeled **NBOE Escrow Update**

2. The NBOE Escrow Update Screen will give details of the program. On this screen you will be allowed to enter your option and a brief explanation of what each option is provided. **Remember: You must save and hit YES to confirm, otherwise your selection will not be saved.**

IMPORTANT: An email will be automatically sent to you after you have made your selection.

1. You will be allowed to discontinue at any time during the school year; therefore, we have made it easier for you to discontinue and request for a refund even after Open Enrollment has ended. During the closed period, we have modified our screen to only allow employees to discontinue by selecting **"Discontinue Escrow"** (see below)

Attention: This program is NOT for Per Diem and 12-month employees.

The purpose of the Escrow program is to allow 10 and 11 month employees to set aside a percentage (10%) of your money from your paycheck to be paid out to you over the summer months on a 12-month pay schedule. If you select a 12-month schedule you can choose from one of the two (2) pay options listed below. District employees who are currently on an Escrow pay option do not have to make a selection each year unless the employee wishes to change the option or discontinue it. The deadline for current employees is July 15th. The deadline for newly hired employees is September 15th. Please note - You cannot participate if you are a Per Diem or 12-Month Employee.

All escrow deductions, regardless of option selected, shall be at a rate of 10% of your bi-weekly gross pay. Each year the deductions commence in October and run through May for a total of 16 deductions. Once you select your option, you will not be able to change that option. You will only be allowed to discontinue. Any discontinuations that are requested throughout the year will be automatically refunded between one (1) to two (2) pay periods. Once you have selected an option you cannot change until the following school year. If you discontinue during the school year you can't re-enroll until the next school year. If you are enrolled in the four (4) check option you can't request for a one (1) check refund during the month of June, your refund will be processed on the first check in July. No Exceptions and No other arrangements can be made.
