

What Do the Pros Say Research Guide

There are a number of good websites and articles on the internet where you can find advice to help you adjust to college. Many of these articles are written by college students or recent graduates, who have experienced these issues first-hand. Others are written by college professors, psychologists and other experts who specialize in helping young people deal with transitions. Use these pages to research the trouble zones you will report on today; keep them as a reference to use later.

Academic

1. Attending Class
