

Join Us to Talk About Your Priorities for Newark Public Schools

How would **YOU** improve our public schools?

Help us develop a new three-year strategic plan for Newark Public Schools that will help pave the way for the return of local control.

CENTRAL WARD MEETING

Thursday, February 4

6:00 PM - 8:00 PM

Quitman Street Community School

21 Quitman Street

Newark, NJ 07103

All meetings will consist of small-group discussions, where parents, educators, and citizens help us weigh options to improve upon existing plans. There will be no lectures, and community-based organizations in each ward will help facilitate to make sure all voices are heard.

As you know we can't afford everything, so we need your help to make sure we are focusing our efforts on the highest priorities.

Refreshments and translation services will be available.
